Proposed Land Conservation Features

Stewardship Area ***

*** Stewardship Area: An informally designated conservation zone surrounding the Refuge. Within this area, the Service would actively work with partners and neighbors for voluntary, cooperative activities that protect habitat and water resources. Key tools include but are not limited to: conservation easements, use of conservation grants and/or enrollment in various habitat reserve programs, well capping, and technical assistance programs.

In addition, under Alternative 4, Service acquisition of up to 25,000 acres from willing sellers could occur on priority lands within the Stewardship Area.
